SKALA 1 : 16000

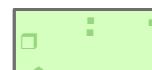

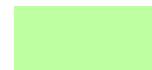

0 350 700 1.050 1.400 1.750 3.50

Meters

A map of Europe showing the distribution range of the European eel. The range is indicated by a large, irregular red area centered in Central Europe, extending from the British Isles and Scandinavia down through France, Germany, and Italy. The map also features a grid of green lines forming a coordinate system.

Proyeksi : Universal Transverse Mercator
Sistem grid : Geografi
Datum horizontal : WGS 1984 - Zone 47S
